Subject: Bank Deposit Records - Field Personnel

I have received several inquiries from the Field Personnel for whom we are depositing salary checks and travel expense checks, regarding the status of their bank accounts. Even though they receive bank statements, they have no way of checking to be sure that the statements are correct since they have no record of deposits made. In addition, they are interested in knowing the amount and type of deductions being made from their checks.

Accordingly, I have made arrangements with the Accounting Department to forward the check stubs to me on a regular basis and I will forward them to you as received.

The first group of check stubs for the following employees is attached:
